LeetCode

EDUCATION

Kakinada Institute of Technological Sciences

B.Tech in Electrical Engineering - **CGPA - 7.13**

Kakinada, India

Government Polytechnic Visakhapatnam

Diploma in Electrical Engineering - **Percentage - 83%**

Visakhapatnam, India

Zilla Parishad High School

Secondary Education - **CGPA - 8.8**

Visakhapatnam, India

PROJECTS

Search Engine | JAVA, HTML, CSS, JAVA Servlets, Jsp, JDBC

April 2023

- About project This project is a basic search engine that employs HTML and CSS for the front-end, Java for the back-end, and MySQL for the database.
- Features The search engine uses a ranking algorithm to display only the top 30 results based on the keyword entered, and it also includes a history feature where users can view their previous searches. Users can click on any history item to revisit their past searches.

Text Editor | Java, Java Swing

April 2023

- About project: The text editor is desktop application that allows users to open text files, similar to Notepad. Users can write and save their text to their computer using the software.
- Features: Save, Save as, Openfile, Undo, Redo, Cut, Copy, Paste, Select All, Darkthem, moonlight, Default Theme.

Snake and Ladder | Java, JavaFx

April 2023

- About Project: The project implements JavaFX for the front-end interface and Java for the back-end logic. Two players can participate simultaneously in this game.
- Features: Two players can play this game simultaneously. There is a beautiful transition when the game starts, and before beginning, players need to click on the start button. When one player wins, the game needs to be restarted.

COURSEWORK / SKILLS

- | | | | |
|--------------------------------|----------------|--------------------|--------------------|
| • Core Java | • DBMS | • Operating System | • solid principles |
| • Data Structures & Algorithms | • SQL | • Ms word | |
| | • OOPS Concept | • Excel | |

TECHNICAL SKILLS

Languages: Java, C, SQL

Developer Tools: VS Code, IntelliJ IDEA, MySQL Workbench

Technologies/Frameworks: GitHub

SOFT SKILLS

- | | | | |
|---------------------------------------|------------|------------------|------------------|
| • Problem Solving / Critical Thinking | • Patience | • Self-Awareness | • Time Mangement |
|---------------------------------------|------------|------------------|------------------|

ACHIEVEMENTS

- Solved more than **200** Question in leetcode. [↗](#)
- Solved more than **100** Question in GeeksforGeeks. [↗](#)
- Solved more than **750** Question in Acciojob. [↗](#)

CERTIFICATIONS / VIRTUAL INTERNSHIP

- Full-Stack Web Development-AccioJob
- Software Engineer Virtual Experience by JP Morgan Chase and Co. [↗](#)
- Developer Program by Accenture. [↗](#)
